## BOUTIQUE COLLECTION

A sense of luxury inspired by remarkable places and beautiful ideas. Understated elegance and effortless style define this collection of six sophisticated designs that excite the senses and inspire elevated living.

## UNEARTHED COLLECTION

An exploration of warmth through the subtle, tonal shades of nature's palette. Balancing sophisticated style with natural textures, the Unearthed Collection results in remarkable beauty, coursing through every detail.

## DISTINCTLY BEAUTIFUL. NATURALLY CANADIAN.

Created by the fusion of exceptional design, superior quartz and cutting-edge technology, HanStone Quartz weaves together intriguing patterns and colours. The go-to choice of designers, architects and homeowners from coast to coast, HanStone Quartz is the next generation of stone surfaces.
